

the EQUIPMENT & CLOTHING GUIDE

Packing can be something you may want to put off until the last minute or it's something you're eager to do. Whether you're helping your camper pack weeks in advance or you're packing a few days before camp, it's important to have a packing list so you don't forget the essentials. We have compiled a detailed list of the clothing and equipment for you to pack for Summer Camp based on our once a week laundry service.

Please remember to not over-pack! Campers do not need more than what's recommended, and storage space is limited. **At Land O'Peaks**, campers are only allotted two large drawers, a dresser top to be shared with their bunkmate, some hanging space, and a cubby in the bathhouse. Campers may not use the space under their bunks for storage. **At Trail's End Ranches**, campers are only allotted a large underbed drawer and underbed storage area, half of a hanging rack, and a cubby in the bathhouse.

DRESS CODE PHILOSOPHY

During your summer at Cheley Colorado Camps, we want you to have the best experience possible! By planning ahead and packing appropriately, you will be contributing to a positive Cheley Experience; therefore, our dress code reflects **practicality** and **the values of camp**. It is written in a manner that does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size and shall be enforced consistently.

- All campers and staff should be able to dress comfortably for camp and engage in the camp environment without fear of or actual unnecessary discipline or body shaming
- All campers and staff should understand that they are responsible for managing their own appearance without regulating another individual's clothing/self-expression.
- All campers and staff should be able to use body-positive language.

We expect all campers, staff, *and visitors* will dress in a way that is appropriate for camp. Dress choices should respect Cheley's intent to sustain a community that is inclusive of a diverse range of identities. We are responsible for seeing that attire does not interfere with the health and wellbeing of any individual at Cheley nor contribute to a hostile or intimidating atmosphere for anyone.

REQUIRED EQUIPMENT

✓ LABELED?

☐ ☐ **HIKING BOOTS**

A sturdy boot with good ankle support, not low fitting. Leather or Gore-Tex® with a Vibram® sole. Campers who plan to hike extensively should invest in quality boots.

☐ ☐ **SLEEPING BAG***

A mummy-style, three season bag with a temperature rating of 20° or lower. While it's a worthwhile investment to purchase a quality sleeping bag as it can last a lifetime, campers may rent sleeping bags (and pads) from our camp store for a rental fee.

☐ ☐ **FOAM PAD or THERMAREST***

Closed-cell or inflatable. Used beneath a sleeping bag for warmth and insulation.

☐ ☐ **RAIN GEAR**

A good quality rain jacket and pants (made of Gore-Tex® or equivalent) or a poncho for our mountain rain showers.

Two warm blankets or a comforter, which can be folded at the bottom of your bed on warmer nights. While we provide linens, a pillow, and a wool blanket, many campers bring their own pillow(s).

☐ ☐ **SUNGLASSES***

Designed for UV protection as the sun is very powerful at our high mountain elevation.

☐ ☐ **FLASHLIGHT or HEADLAMP***

Don't forget batteries!

☐ ☐ **GAITERS**

Not required. Used for protecting your boots/lower legs when hiking in snow or brush. The appropriate gaiter height depends mostly on how much protection you want.
