Campers will remain in their units during this time, but siblings are welcome! At The Barrel, you can also enroll for Summer 2027.

BEFORE YOU LEAVE CAMP

We ask that all families depart by 3:00pm. Before heading out, please stop by your camper's unit to pick up their luggage and any remaining belongings. Don't forget to collect any medications or valuables dropped off on Arrival Day. It's also a good idea to swing by Lost & Found to check for any missing items.

CAMPER PICK-UP TIMES

All campers will participate in a special closing Final Campfire in their unit on Saturday evening. This meaningful tradition provides emotional closure, reflection, and celebration at the end of the summer. Campers cannot be picked up until after Final Campfire concludes. We appreciate your support in honoring this important experience.

Pick-Up Time for All Units

9:00pm Sat or 6:00–8:00am Sun

If you have any questions throughout the day, please find a staff member in a red shirt—we're happy to help!
